

Multifactor Authentication Login Token Window

The screenshot shows the 1st Financial of Addison website. At the top left is the logo "1st Financial of Addison". To the right is a banner with a group of people and the text "Enjoy the Benefits of Membership!". In the top right corner are "Contact Us" and "Login" buttons. Below this is a navigation bar with links: "Welcome", "Payment Information", "Loan Balances", "Memos", "Payment History", "Payment Options", "Account Information", and "Statements Documents". The main content area features a photograph of a house on the left and a text box on the right. The text box contains the message: "An email has been sent to you that includes a unique Login token. Please enter the Login token information in the Login token field below." Below this is a "Login Token:" label and a text input field with the placeholder "Enter Login Token Here". There are two radio button options: "Permanent: Please remember me at this computer. [More Info](#)" and "Temporary: Do not remember me at this computer. [More Info](#)". At the bottom of the page is the "eStatus Connect" logo and the text "Powered By Financial Industry Computer Systems, Inc."

Multifactor Authentication Login Token: The borrower will input the Login Token and choose to submit it as a Permanent or Temporary token. Below is the email that will be sent to the borrower that contains the Login Token.
